

THE ULTIMATE BACHELOR PARTY SCAVENGER HUNT

Pre-Dinner Drink

- Have each married guest tell the groom what he misses the most about being single. The best man picks the most miserable son-of-a-bitch and they must do a shot with the groom to get the night started.
- **Mark your bachelor** while he sings the chorus of whatever the couple considers to be “their song.” If he can’t remember the words, or they don’t have one – he takes a shot.
- The bachelor must take a body shot off of someone of the opposite sex. If they can’t find anyone who will do it... They have to take two shots off someone of the same sex.
- Find members of the opposite sex who have names where the first letter spells out the name of the bride (as an example, if her name was Pam – **P**aula, **A**nn, and **M**argaret). Get a kiss from each girl. For each one he gets on the lips, he gets a free pass -1 shot he can use at any time during the night. For a French kiss, he gets -2.

(This section assumes that you are at some sort of bar or tavern to start the night. If not, assign these throughout the night, wherever it’s the most appropriate.)

Limo/Drive To Dinner*

- Bachelor takes a shot for every car seen that has a man and woman arguing.
- Bachelor takes a shot for every car seen that has a woman driving while talking on a cell phone without a hands-free device.
- Bachelor takes a shot for every woman driver breaking some sort of a traffic law.
- Everyone (except the designated driver, if not in a limo) takes a shot for every street you cross where its name starts with the same letter as the first name of the bride.

Dinner

- Have the groom empty his wallet of any money. Tell him that this is to prepare him for what having a wife will be like. (*Editors note: This also ensures that the bachelor will not spend any of his own money. Tell him that it will be returned at the end of the night -- as long as he accomplishes all of these tasks.*)
- Check the wallet for pictures of his future bride. Take a shot for every picture of her. Take two shots for every picture of a girl who is not his wife (or a relative – let's not be too trailer park, here.) If there aren't any – take three.
- Have your bachelor order his favorite “manly” appetizer (i.e.: buffalo wings, potato skins, etc.). Give him two minutes to eat as many as he can. As he gorges on them, tell him how this symbolizes what it will be like to sneak these types of foods from his future wife, who will be more worried about his cholesterol than for his happiness. For every piece left, he must do one shot.
- Get a kiss/hug from the cutest waitress. If it's a hug, -1 shot for the night. If it's a kiss on the cheek, -2 shots. If it's on the lips, -3 shots. If denied – take one shot just for being hopeless.

Limo/Drive To Strip Club*

- Bachelor takes a shot for every woman driver seen that's been pulled over by a cop.
- Bachelor takes a shot for every woman driver that is driving the same make and color of car as the bride's.
- Bachelor takes a shot for every woman driver in a stalled car on the side of the road.
- Everyone (except the designated driver, if not in a limo) takes a shot for every street you cross where its name starts with the same letter as the bride's future last name. (Hint: It's probably the groom's, but not always.)

Strip Club

- The bachelor's job is to get a thong collection from the girls. Start off by giving him \$50. He can do it either by begging, negotiation, or outright purchase – but he can't go over the \$50. Take score before you leave. If he gets 10-15 (or more), he gets -1 shot. If he gets 6-10, he gets a free pass. If he only gets 1-5, he takes 1 shot. As a bonus – if she takes it off right in front of him, the bachelor gets -1 shots for each one.

- Have the bachelor ask three of the dancers to show him the best reason for not getting married. For each one that involves some sort of physical contact, -1 shot.
- Have the bachelor find a stripper that is actually a sports fan. If he finds one, -1 shot. If she can name all the schools in the Pac 10, he gets -2 shots.

Limo/Drive To Night Club*

- Bachelor takes a shot for every guest who can't touch their nose with their eyes closed.
- Bachelor takes a shot for each guy who has been with his significant other for more than five years.
- Out of those same guys, bachelor gets -1 shot for each guy who was told by his significant other not to get a lap dance that night – but did anyway.
- If the bachelor had less than 10 lap dances, everyone does +2 shots.

Night Club

- Look for a bachelorette party and get a flash from the bride-to-be. If it's butt, he gets -1 shot. If it's her boobs, he gets -2 shots. And if it's her... Well, you know... He gets -3 shots, and a hearty pat on the back.
- Have the bachelor take a panty color survey from as many of the girls in the bar/nightclub as possible. (It's fun if you can actually get them to prove it). Find out which color is most represented – then take a shot that is that color.
- Have your groom get a phone number from the hottest girl in the club. If he's denied, he takes a shot and tries with the next hottest. Repeat until successful -- or passed out.
- Once the groom gets the number, ritually burn it in front of him in order to symbolize the good life he will never be able to experience again. Point and mock accordingly.

(* Important Legal Note: These portions assume that you have hired a limo for the night. If you are not in a limo, you will clearly not be able to do the shots until you get to your destination. Just add them up and do them at the next location. And not to belabor the obvious, the designated driver should not do any at all.)
